

#### TARIFA AND COMPANY

Men's swimwear brand Tarifa and Company offers the chance to customise your trunks; everything from the length, colour and fabric selection is all down to you, making for some totally unique shorts that are just the thing for the beach.

#### ORGREEN OPTICS

Orgreen Optics have a wide choice of cool sunglasses – although this pair, Street Hassle, from the Grand Danois collection, are particularly special. Perfectly streamlined, they are plated with 24-carat gold and, like the rest of the collection, are designed in Denmark, before being handcrafted in Japan for guaranteed high quality.
